Re: April 2020 Meeting Cancellations

All Members,

We requested and have received confirmation from our International Vice President John O'Rourke to **cancel** our April Unit 1, Unit 2, and General Membership meetings for the month of April.

We have also requested and confirmed with the Federal Department of Labor and Office of Labor Management a postponement of the June Union Elections. The Executive Board will meet and discuss the best time to hold the elections. This will move the time frame of nominations and the appointment of the Election Judge. Another memo will be issued after the Executive Board meeting.

These are challenging times and I know we will eventually pull through this. I cannot emphasize enough, my thanks to every member that has continued to work, staying out there during these times. For those that are home, please stay safe and take care of yourself and your loved ones.

The Union is still working to keep our members informed and to answer the many questions that you might have to the best of our abilities. We are also working with the Management Trustees to see if we can extend benefits to those that are affected by COVID-19, benefits such as S.U.B., Health & Welfare, and early distribution of Vacation/Holiday.

We ask everyone for your patience as we work through the ever-changing world in which we live in today. Stay safe and healthy.

Fraternally,

Damien T.K. Kim
Business Manager/Financial Secretary
