December 11, 2020

Happy Holidays!

It is unfortunate that we cannot have our popular December Christmas meeting this year. Since we are still in Tier 2 here in Honolulu, the meeting is cancelled. I know many members are disappointed because we always have great Hawaiian food and giveaways.

This year, we will be sending out Christmas cards to everyone and enclosed in the envelopes will be a voucher for a drive-by gift card. On December 19th, we will be handing out gift cards at our various union halls on each Island (instructions will be included in the letter). So drive-by, bring your filled-out voucher, and receive a gift card from us. Gift cards will be from locally owned companies to help them during the pandemic. When you turn in the vouchers to us, we will also use them for the year-end giveaways that we will draw in February 2021 and give out in March 2021.

Please note that the post office may not deliver your Christmas cards by the 19th, and we understand, and want to extend the date for those that get it after the 19th. If you receive your card after the 19th, call your Union office on your respective islands and schedule to come down, with your voucher, to pick up a gift card. Deadline to do this is by December 28, 2020. If you have any questions, please call us.

We are still hoping that Hawaii gets this pandemic under control so we can start visiting and having meetings again. Each Island is facing their own challenges and have different rules which make it hard to travel back and forth.

If you have stopped by the union hall recently, you have seen construction that began on our new Pension building. Please be careful as this is now being treated as a construction site and no one should be walking on it. Visitor parking is under the building where the entrance is on Hau Street, with the new rock driveway. Larger vehicles that are greater than 6'5" should park in the open parking area where the entrance is on Kalani Street with the new rock driveway. See signs posted on construction barriers.

I want to wish everyone a safe and healthy Holiday Season! Don't forget to bring by your vouchers to say hi from the 19th to 28th.

Fraternally,

Damien T.K. Kim
Business Manager/Financial Secretary
