RE: CHUBB INSURANCE NOTICE

Aloha Members,

The Union replaced the Accidental Death & Dismemberment (AD&D) Insurance with a Critical Care illness Insurance effective April 1st, 2021.

You may have received a premium notice from CHUBB Workplace Benefits offering a one-time commitment to a monthly payment (Union rates) directly to CHUBB if you wish to continue the \$20,000 Accidental Death & Dismemberment (AD&D) Insurance coverage.

Please do not pay this monthly premium if you wish to discontinue/terminate this AD&D Insurance.

Please feel free to contact the union office if you have any questions or concerns.

Fraternally yours,

DAMIEN T.K. KIM
Business Manager-Financial Secretary
