"Every Drop Counts"

HAWAII BUILDING & CONSTRUCTION TRADES COUNCIL

Giving for a better tomorrow

We need you, our union members, along with your families and friends to answer the call. Every summer, blood donations drop to critical levels and this puts the people of our state at risk. That's why HBCTC is rallying our members to show that when our communities depend on us—we are ready to **make every drop count**. Join us in **Giving for a Better Tomorrow** by scheduling an appointment at bbh.org.

Aloha IBEW Local 1186 members,

This summer, IBEW Local 1186 is part of a statewide HBCTC blood drive that will not only benefit the critically low blood supply in the state of Hawaii, but also benefit the Special Olympics by providing PPE, sporting equipment, and other essential gear with every donation that you make. Add to that, you save up to three lives with every blood donation? Sign up today to make your appointment at either one of these date-specific drives on Oahu or on the Neighbor Islands, or use code 3040 at any Blood Bank of Hawaii location to be a part of this life-saving effort we are making ... make a difference today. Make an appointment two ways - go to bbh.org and use code 3040 when making your appointment, or contact Mike Pacheco at 808-342-5069 so that he can assist you in making your appointment.

Use code 3040
