The following meetings have been cancelled due to the ongoing COVID-19 pandemic, and the current number of positive cases for the state and island of Oahu. The following meetings have been cancelled for the month of July 2021:

| | |
|------------------------------------|--------------------|
| Wednesday, July 7, 2021, 5:00 PM: | Unit 2 |
| Thursday, July 8, 2021, 5:00 PM: | Unit 1 |

Hawaii is now in a modified Tier 4, allowing not more than 25 people with six feet of social distancing. We are getting closer to fully opening our state. The state of Hawaii has now administered 1.72 million doses of the vaccine. 732,000 are fully vaccinated which means 51.7% of our island population has been fully vaccinated. That is an increase of 4.10% since June 1st, 2021. This is GREAT news!

We will wait for further updates from Governor Ige and the CDC.

Thank you for being patient and for persevering through this difficult time. We appreciate you all.

Be sure to download our app and register, if you have not already, so that you are first to receive important announcements.

Please stay healthy and safe!
