RE: MEETING CANCELLATIONS – OCTOBER

The following meetings have been cancelled due to the ongoing COVID-19 pandemic, and the current number of positive cases for the state and island of Oahu. The following meetings have been cancelled for the month of October 2021:

Wednesday, October 6, 2021, 5:00 PM: Unit 2

Thursday, October 14, 2021, 5:00 PM: Unit 1

Wednesday, October 20, 2021, 6:00 PM: General Membership

Hawaii now has 3,883 COVID-19 active cases with positivity rates ranging from 2.3% (Maui) to 3.3% (Oahu), and 4.3% (Kauai) to 5.1% (Big Island).

While the September surge seems to have lowered drastically (down by 61%), there are still a good number of cases daily in the islands. Various locations in Hawaii have started offering Pfizer booster vaccinations (you must have received your second Pfizer dose 6+ months ago) for those who are of age and those who are immunocompromised and/or work in situations where your chance of exposure and infection is high. Please consult with your doctor to see if you would be eligible for a booster.

Please take care of yourself, remain safe by always masking up and washing your hands frequently, vaccinate yourself if you are able, and avoid any large/unnecessary social gatherings right now.

Be sure to download our app and register, if you have not already, so that you are first to receive important announcements. Please stay healthy and safe!

Fraternally and respectfully,

DAMIEN T.K. KIM
