TELEPHONE (808) 847-5341 • FAX (808) 847-2224

October 30, 2025

Aloha Kakou,

Brothers and sisters, this letter serves as an important update and correction to the letter dated October 10th.

While federal employees are currently experiencing the repercussions of a political dispute in Congress, your Union has decided to forgo the dues owed to the Local for the months of October and now to include November.

On October 10th, the letter which stated that the Union would cover both dues and dental, needed to be corrected. Members with HDS dental coverage are still required to remit payment for this insurance to HDS through the Union. **Only the membership dues will be forgone, not the dental dues.** For any inquiries, please contact our office or reach out to your Business Representative, Ian Jarrett.

Members in good standing (those who have maintained their dues payments) since July 2025 to the present are invited to visit the Union office to receive a \$100.00 Foodland or Costco gift card. This offer is available Monday through Friday, from 7:30 AM to 4:30 PM. Please bring a picture ID for verification. If you are uncertain about your current standing, please call our office at (808) 847-5341, and we will verify for you.

Mahalo and thank you for your support in maintaining government operations without pay during this period. The public sincerely appreciates your dedication!

Ian Jarrett
Unit 2 Business Representative
