Aloha Kakou,

Brothers and Sisters, this is a courtesy reminder about the critical importance of keeping your dues and dental current.

Important: Dues and Dental Premiums are Separate Payments

Membership Dues and **Dental Premiums** are separate payments that must be paid individually, whether paid online through the IBEW 1186 website or by calling our office.

If either of these payments **lapses for 3 months**, here is what happens: Consequences of Delinquent Dues and Dental.

Payment Type	Consequences of a 3-Month Lapse	How to Restore
Membership Dues	*Member will be "not in good standing". *Will incur a Reinstatement fee. *Immediate loss of access to online payments on website.	Call UNION office at 808-847-5341 to make payments.
Dental Coverage Self Pay Plan	Dental coverage will be terminated. *Immediate loss of ALL dental benefits. *CRITICAL: NO benefits for services received for entire lapsed period. NO plan re-enrollment.	Pay all past-due Dues and Dental amounts owed to bring accounts completely up to date.

The bottom line: DO NOT LET ANY OF YOUR DUES AND DENTAL FALL BEHIND AT ALL!

Ensure you and your family maintain access to the benefits you are entitled to and keep your membership in good standing.

MAHALO!
